

## Kenneth Hahn State Recreation Area

# Earth Day Volunteer Planting Event

Participate in a volunteer day held by Generation Water, LA Audubon, and Mujeres de la Tierra with support from LA County Parks and Recreation.

**Date:** Saturday April 20th, 2013

**Time:** Event 9am-12pm, Light Lunch 12:15pm

**Place:** Kenneth Hahn State Recreation Area, south side of 'The Bowl'

**Attire:** Sturdy shoes, long sleeves, hat or other sun protection, gloves, reusable water bottle

### What we'll be doing:

Planting new native grasses and shrubs to expand a native demonstration garden. This new garden area will highlight a different variety of native habitat found in the park. All levels of familiarity with plants and outdoor work are welcome. Earn community service hours and learn more about your park for Earth Day. We can't wait to see you!

(Event postponed in case of rain)

Parent or guardian must accompany caretakers under the age of 18
